  - Woodside Seed Sale

- Not as big as last year. Approx \$264 profit PLUS 22 seed collections bought for the CG.

However, it is hardly any work. Next year it will be different. Though all the details are not yet confirmed, it will likely be a coupon code that families can use to order on the seedsaver website. Then they can order ANYTHING they want, as opposed to just the 5 pre-selected groups of seeds. Seeds will be sent right to them. We will have to see how the best way to that and allow families to buy for the CG as well. It might be as simple as a wish list that people check off as they buy.

- Country Springs Passes
  - The office has the left over country Springs tickets. The amount is around 41 unless someone purchased any since yesterday morning.
- Marcus Tickets
  - No Update
- Market Day
  - The big thing for Market Day this month is that this will be the first time we do not have a rep from Market Day at the sale. So hopefully everything will go smoothly! Also, we are only accepting checks at the sale, or you can pay with credit card online. With the loss of the rep, we will need volunteers each month now - two will suffice. Sean Kane will be getting this update out on the website.
