 - Brewers Game
 - Woodside family night at Miller Park is slated for Friday, May 8th. Come join students and staff for an evening of fun supporting your Milwaukee Brewers as they take on the Chicago Cubs. Tickets are \$17. We still have around 100 tickets available so please see if friends or family maybe interested in joining in on the fun.
 - Staff Appreciation Week
 - Going on this week
 - It is going great
 - Family Fun Night

- Friday - May 29th
 - Bounce House, Big Slides, Silent Auction, DJ, Dunk Tank
 - Open to the public – all are welcome
 - They need more adult and youth volunteers to work the event
- Ongoing Events
 - The Traditional Table
 - Made over \$1100 this year
 - There are about 20-30 families per month
 - This is the last order until September or October of this year
 - Next year will be different – the schedule will not be coordinated with Market Day in the 2015/2016 School year
 - It was suggested that TTT have an email subscription option which does not require a full account setup
 - Marcus Tickets
 - No update
 - Market Day
 - May is the last month to order for the school year, and since this is a Bonus Days Month, we can earn up to 45% in profit by ordering cookie dough and pizzas. Hopefully families will stock up for the summer!
 - Box Tops
 - We are holding one last contest in May/early June to collect the final BoxTops and Labels this year so they can be submitted before we turn everything over to the new volunteers this summer. The class who collects the most will earn a Mr. Lids container with goodies inside for each student.
 - School Pak
 - Everything is just about ready to roll for School Pak. The updated supply lists have been faxed and approved and the company has set up each grade level's "pak". I stuck with a 10% profit per pak sold since that is what we did last year as well as the home delivery only option. I will be sending out a flyer the company is going to send me as opposed to the letter that I've sent in the past to support our "going green" and budget-saving initiative.
 - Six Flags Tickets
 - Please look for tickets to be sent home via kid mail in the next week.
 - School Store
 - Lisa Slavic will remain on board for next year to coordinate and current 4th grade students have been presented with the opportunity to work at the school store next year and the first step of the application process is due in tomorrow.

 - Any child who signs up for their Tae Kwon Do Class thru the month of May Woodside will get \$50 for every sign up
 - They would like to send a flyer home in May for signups
 - Dr. Edmond will review the flyer and make sure it is approved and we will proceed from there.
 - Courtney will send Dr. Edmond the flyer
