Thank you for the wish list.

Kindergarten bought an obstacle course.

Culvers Night Questions:

Do we need to fill the Monday night late slot? Do we have to fill all of the volunteer slots?

## **Committee Updates**

### **Woodside Fun Run**

Prize distribution is complete except for the prize to top fundraising family.

Fun Run Questions:

Should we get rid of the top fundraising family prize? It is not motivating people to raise more money. Consider rewarding individuals instead of families.

### **Farmers Market Basket**

Frustrated with lack of ordering because of lack of flyers and low communication.

### **Vision and Hearing Screening**

No update

### **Family Social Event**

Went well! We did not have any volunteers until a flyer was sent home. Flyers generated 30 volunteers.

### **Nights Out**

Culvers coming out next week! Make sure you bring the flyer!!!

Smart Cow: Last month's event, raised \$125.

### **Scrip**

Kelly Mottl is the new coordinator. We will be doing scrip sale in first 10 days of December. Courtney suggested limiting to half sheet of the most popular items.

### **Teacher Refreshments**

We made dinner for the teachers in October, Soup/Salad/Garlic Bread. Dinner in November and Breakfast the following day. There were questions about VolunteerSpot usage.

### **Country Springs Passes**

Many are still available in the front office.

### **Marcus Tickets**

No update - supposed to come up mid-November.

### **Market Day**

No update

### **Book Fair**

Volunteers are needed! Suggestion that we put the shift times on a flyer so that the parents know how long they will need to volunteer. Parents are wondering if they can bring their kids. Considering offering a \$5 per volunteer incentive to bring in volunteers. Considering kid incentive – pajama day. Suggestion to put up flyers on the entryway doors telling the parents that Book Fair may be cancelled if we don't get volunteers. Can we get high school students to volunteer during the day during study hall? Can we close School Store on the Tuesday of the Book Fair allowing the School Store students to work in the Book Fair instead of the school store that day? There will be a wish list for the teacher this round.

Upload the Book Fair Flyer to the website

### **Family Skate Nights**

Dates are scheduled for February 8th and February 22nd from 4-6 pm. More information to follow as the event approaches.

### **Boxtops & Labels**

We are continuing to collect and submit BoxTops and Labels. Our October class winner was Mrs. Scortino's first grade class. After a delay in getting our flyer approved, we will be having a weekly contest thru the rest of the year, with winners every Friday. Amanda submitted our BoxTops and to date Woodside has earned \$1800 just from the BoxTops. The points submitted for the Labels for Education continue to be banked, and are available to be used to purchase various goods at any time. New to the Labels program is the ability to redeem the banked points for a prepaid Visa card.

Contact Becky Delonge for the Labels' login information to either purchase goods or order the prepaid Visa card. (Labels' points can remain banked indefinitely and are accessible at any time.)
